

Mr Jim Jasper- Day of the Ceasefire

“...[Most memorable moment]... I suppose the day of the ceasefire, I think. When it was announced that the war was over I think that was the best day really.

[What was it like to feel that war was over?]. Well, we was told in the morning that the ceasefire was going to be at 11 o'clock that night. So we thought it was finished you know, great! A few of the braver ones got out of the trench and went up on the skyline, next minute they got mortared, didn't they?! Three of them was injured [chuckles] they shouldn't have done that!...”
